

Town of Bath
Public Works Committee Minutes – April 8, 2025 0830
Town of Bath Municipal Center

Call to Order

Roll Call of Members – Present for a quorum: Chair Rebecca MacLeod, Dave O’Connell.
Not present, Scott Merki. Also in attendance: Rodney Steiner
Minutes of March 11, 2025 Public Works were reviewed and approved.

Equipment Updates – The F550 Dump truck is still in the shop for repairs awaiting parts. Finance Committee has approved proceeding with repair as the truck is used by both Public Works and BSWW.
Snow tires will be needed for the Both F250s and the F550 this year.

Infrastructure

Greenway maintenance needs were reviewed. Road repairs will be done when the mausoleum work takes place.
Warren Street paving has been approved (motion by O’Connell, seconded by MacLeod) and P&W contractors provided the lowest bids.
Pothole treatment is needed for Biser Street. Temporary patching will be done as the street will be torn up soon by the WSPSD for sewer repairs.
Meter and sign holes will be marked for drilling on Mercer and Wilkes.

Finances

Gravel will be purchased for shoulders if funds are available after fleet repairs.
A discussion about seasonal scheduling and staffing for cemetery maintenance took place.
