

Town of Bath Cemetery Committee
October 25, 2023, @ Town Hall @ 9:00 AM
Minutes

Tom Hall was once again unable to attend the meeting due to a work emergency. The committee will discuss changing its meeting day and time. As in October, Elizabeth Skinner and Rebecca MacLeod agreed again simply to have an informal discussion of the needs of Greenway Cemetery. No motions were introduced. No final decisions were made. Tom Hall has a lot of experience working in Greenway Cemetery. The committee agreed it will work together to be sure all the members of the Cemetery Committee can attend the committee's regular monthly meetings.
