10. Call to order
11. Roll Call of Minutes: Chairman Elizabeth Skinner (x), Rebecca MacLeod (x), David O'Connell (x)
Other guests: None
12. Minutes from the January 28, 2025, meeting were approved by common consent.
13. Governance: The Town Council has governance over the Cemetery Committee. The Cemetery Committee reports to the Town Council the work of the TBCMMI and the Public Works Department on non-maintenance issues.
14. Recordkeeping/Burials: Terry Golden with the MCHGS has been working with Elizabeth to update the burial records of Greenway Cemetery. While much progress has been made on this work over the past year-and-a-half, there is still a lot of work left to do. The goal of this project is to update all the records, so that they can be converted to an electronic format. The TBCMMI has resumed holding monthly meetings. The board is in the process of filling vacant positions.
 - Excavator: There was a general discussion about purchasing an excavator for Greenway Cemetery burials. The BSWWs would like to investigate sharing this equipment with the TBCMMI. Both groups would share the cost of purchasing the equipment. No action yet has been taken so far by either the TBCMMI or the BSWW on such a purchase.
15. Projects, Maintenance (Public Works Report): There was a brief discussion on what the Public Works Committee is beginning to do to prepare for the 2025 mowing season.
16. Special Projects, Non-Maintenance (TBCMMI): Rebecca MacLeod discussed what needed to be done on the roof of the mausoleum to finish this Mausoleum Project. The Petoney Brothers Excavation will be hired to level the soil above the mausoleum. They will also do the drainage work to prevent water from entering the mausoleum. This work will cost \$1,900.00, and will be paid for out of the Mausoleum Funding received from the Morgan County Commissioners.
17. Taxes: No report at this time.
18. Adjourn at 9:47.
