Unfinished Business:

Tree Issues: The large tree in the Old English Cemetery was successfully removed in late August. The elderberry shrub beside Town Hall was trimmed. Thank you to Craig Deane. Damage has been done by mowing, but the shrub may come back in the spring.

Demonstration City Grant: Nothing can be done on any of the projects proposed in the DCG until we have received word that it has been approved.

Community Tree Grant 2025: The proposal has been received and has been sent to the review committee. No additional information is currently available.

New Business:

During the past month, the account had one credit: \$33.40 in interest on our account. There has been one debit, \$4700.00 to Truax Tree Service for removing the fallen tree in the Old English Cemetery. The current balance is \$10,680.00

Branching Out: The committee reviewed and edited the draft of what the tree board does for the town website.
