- VI. **Street Issues /Updates/Paving/Snow Removal/Street Lights/Depot Lot/Street Lights:**
Everything is in good shape. We are still waiting for the proposal from Potomac Edison concerning our first 54 street light replacements. According to Tim Boyer, there is a delay in getting the lights. Should now be late May or early June at this juncture. Rick will be calling Martinsburg to see if we can expedite some of this.

- VII. **Budget/Finances: Operating within budget**
Operating within PW Budget

- VIII. **Personnel Issues**
Rich is no longer on probation. David will continue on probation for another couple of months. The rotating schedule for PW seems to be working.

- IX. *The PW Committee has decided to honor citizens of the Town of Bath for outstanding efforts on behalf of the town. The awards will be Citizen Service Awards. The first two recipients will be: Joy Butts and Ellen Lekawitch. These will be awarded in May when the weather is better. Anyone can submit a name to Rick for consideration.*
- X. *Cemetery—The PW Work Crew reports to the Cemetery at 12:30-2:30 every Tuesday. Someone from the Cemetery Committee or the Corporation will meet them and let them know what needs to be done that day. After a few schedule snafus, this system seems to be working.*

- XIII. *Adjourn @ 3:15 PM*
